After a two-year forced stop, trade fairs are back and **MCE** is back!

With a **view** to **corporate growth** and **affirmation** on the **national** and **international market**, **Itap** is **proud** to **announce** its **presence** at the **42nd** edition of the **MCE** trade fair in **June 2022**!

A **very important event** for the **plumbing** and **heating sector** and **for the company**, which is looking forward to **meeting customers** and **potential customers** again **in person**!

**Mostra Convegno Expocomfort** is the **biennial international exhibition** for the **civil** and **industrial plant engineering sectors**: **heating**, **air conditioning**, **refrigeration**, **components**, **valves**, **sanitary technology**, **bathroom**, **water treatment**, **equipment**, **renewable energy** and **services**.

Conceived in **1960** as the **first specialised exhibition** in **Italy**, **MCE** has been the **industry leader** for **over 50 years**.

## JUNE 2022: THE RETURN OF MCE!

MCE will take place in presence from 28 June to 1 July 2022 at Fiera Milano.

MCE will also be digital with the “Digital Experience”, an online platform available from 28 June to 6 July 2022 at the same time as the live event, to interact remotely and post-event.

On our profile you will be able to contact our Area Managers and Export Managers and view all the content and documents selected for the occasion.
