

We show you some **FACES OF ITAP.**

We do it because people are very important to us, they are the added value of our business, they are the engine of our work and make us a great family!

*The work is light if it is shared by many.
(Homer)*

BACK STAGE

We have embarked on a new project, made up of people and experiences told

We have left the word to our collaborators, to tell us their story and that of their work with us.

A journey to discover Itap through the eyes and voice of those who live it every day.

Are you curious?

Who is who is coming soon...

WHO IS WHO...
